THEME

Along the line of man's progress from savagery to civilization, he has developed trends which are accepted or rejected according to his society. Generation after generation lives by these traditions until someone decides that the old ones are no longer suitable. Then new traditions are established and accepted until again someone refuses to conform. Our school life is a period influenced by traditions. To accept the leadership and responsibility of today's world, we must be able to accept and maintain the old, while at the same time using our own knowledge to improve the pattern, break forth into new realms, and pave the way for posterity.

Debbie,
I can't wait
till this summer!
It'll be fun...
Betty said our
might go to Europe.
Hope it does have fun.
Doing always fun
to be around and
a great person.
Hope we have many
classes together
next year!
Sheryl

Dedication

"To everything there is a season . . . a time to plant . . ."

Because of the numerous seeds of progress planted by one devoted to her profession, we wish to bestow upon her a reward for her endeavors. She is one who has educated students in her specific field of instruction, and who, engaging in many extra-curricular activities, has also furnished able and inspiring leadership in other fields as well. We, therefore, wish to express our appreciation and our respect by dedicating the 1970 CROSSROADS to Mrs. Betty Seay.

Debbie,
You're one of the best looking girls I know with a great personality. I have really enjoyed listening to you and Valerie arguing this year.
Lots of Luck

Student Life

Debbie,
what can I say? This year has been pretty Hectic, but you've helped the bad times & made the goods ones better. My year wouldn't be the same if we hadn't become such close friends. Surprising how people can be so much the same & never know till years afterwards. M Y GOOD-BYE YOU EVERYTHING YOU WANT

Hall of Fame

Miss Whitehaven

Penny Arwood

Miss Whitehaven, Penny Arwood, has proved herself more times than one. When she is not occupied with the CROSSROADS, the Thespians, or the Tri-Hi-Y she is cheering. This, the third year of her cheerleading career at W.H.S., was climaxed by her election to the position of Captain with its many responsibilities. Penny has acquired many honors: President of the 10th grade Tri-Hi-Y, Sophomore Class Favorite, Secretary of the Junior and Senior Classes and Junior Most Actively Involved. At the top of her list of hobbies is watching old "Lucy" shows everyday at 6:00.

Mr. Whitehaven

Blaik Hickman

The class of '70 has shown wisdom in choosing Blaik Hickman to represent them as Mr. Whitehaven. He proved himself by holding such offices as President of the Junior Class, and the Junior and the Senior Hi-Y. During the few spare minutes he has when not doing Honors English and History, Physics, or Advanced Math he participates in the FTA, the Key Club, the Thespians, and the Speech Club. When asked his plans for the future, he replied by saying he just wanted to live happily.

Attractive

John Goodin
Sally Caldwell

Personality combines with John's good looks to make him a most deserving recipient of this honor. John possesses many fine qualities to make him popular on Whitehaven's campus. As a fullback and later as an offensive end on the football team, John has done his part for all four of his high school years. John also finds time for the Key Club, the W-Club, and the Senior Hi-Y. In his Junior year, he served as President of the Speech Club. He is a member of Graceland Baptist Church.

One of Whitehaven's most attractive girls, Sally is also versatile and well liked by her classmates. Her fun-loving personality has won her many honors at Whitehaven. As Miss Freshman and Class Favorite and as a class officer in her Freshman and Sophomore years, she became a well-known personality around campus. Sally served as a varsity cheerleader for two years and upon graduation plans to attend the University of Mississippi to pursue a major in English. Sally attends the Labelle Place Baptist Church.

Attractive

Barbara Shaner
Steve Powers

Barbara, a real beauty, is an active member in the Tri-Hi-Y and the Current Affairs clubs and served as the Homecoming Princess for the spirited Whitehaven Pep Club. She likes horseback riding and tennis matches. After graduation, Barbara plans to attend the University of Tennessee at Knoxville and major in business administration. Barbara is a member of First Methodist Church.

Witty and handsome, Steve seems to be one of the moving spirits of Whitehaven's class of '70. Besides being a busy worker at the local Freezway, Steve takes an active interest in the Key Club, the Hi-Y, the F.T.A., and the Current Affairs Club. Steve works hard in Hi-Y where he served as Vice President his Junior Year and Treasurer his Senior year.He has attended Youth Legislature and Blue Ridge in connection with the Hi-Y. He won a place in the Junior Hall of Fame for his wit. He attends Trinity Baptist Church.

In addition to his good looks, John's versatility and personality have made him an outstanding figure at Whitehaven. He was elected Handsomest Freshman and Sophomore Class Favorite. He likes golf, football, baseball, and swimming and is an active member in the Senior Hi-Y and the "W" Club. John attends Whitehaven Baptist Church and is planning to continue his education at Belmont College in Nashville.

Most deserving of this award, Marty also was elected Homecoming Queen. She has been very active in the Current Affairs Club, which she currently serves as Secretary. She finds time to play a few holes of golf and swim. Marty plans to attend business school and seek a commercial career.

Attractive

Brenda Boggan
Mark Jowers

One of Whitehaven's prettiest girls, Brenda is listed in "Who's Who in American High Schools." Her work as an officer in the Thespians and her involvement in the FHA, the Tri-Hi-Y, and the Speech Club testify to her distinctive drive and ambition. She plans to attend the Patricia Stevens Finishing School and pursue a career in fashion. Brenda attends Longstreet Methodist Church.

A star of the football and baseball teams, Mark was voted one of the Most Attractive Senior boys. Although he has attended Whitehaven for just two years, he has taken great interest in extracurricular activities. He is a valuable member of the Senior Hi-Y, the Key Club, and the "W" Club, the last of which he serves as president. His many outside interests have not interfered with his loyalty to his church. He has a record of thirteen years perfect attendance in Sunday School and is presently a member of the Whitehaven Baptist Church.

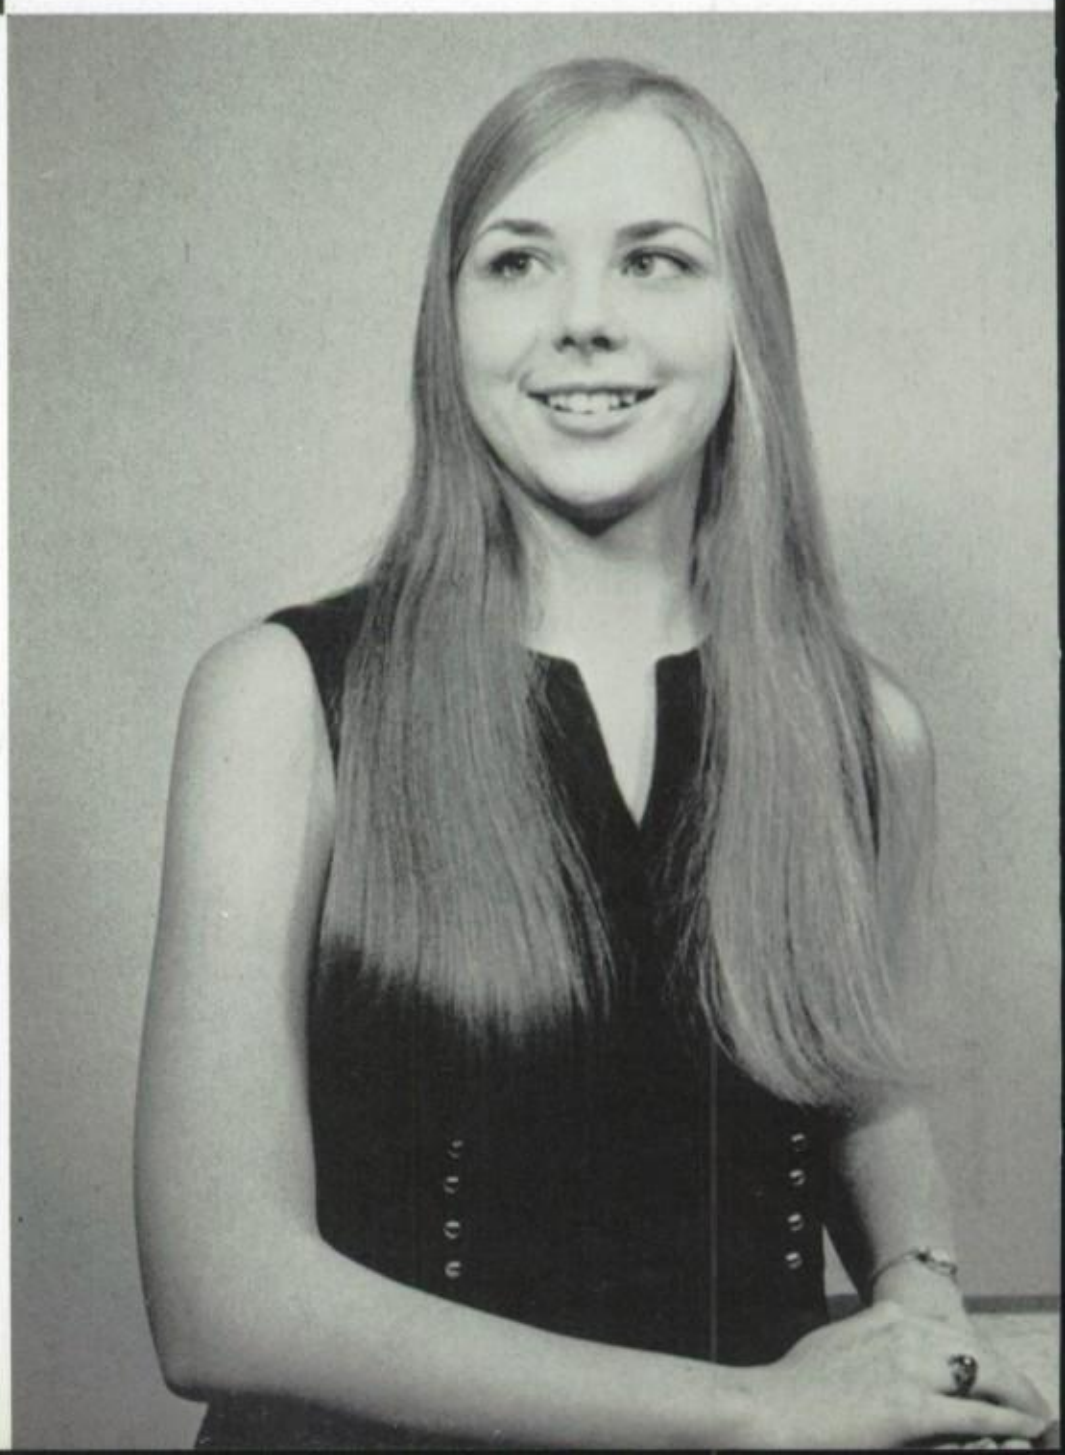
Scholarly

PHIL KLIPSCH

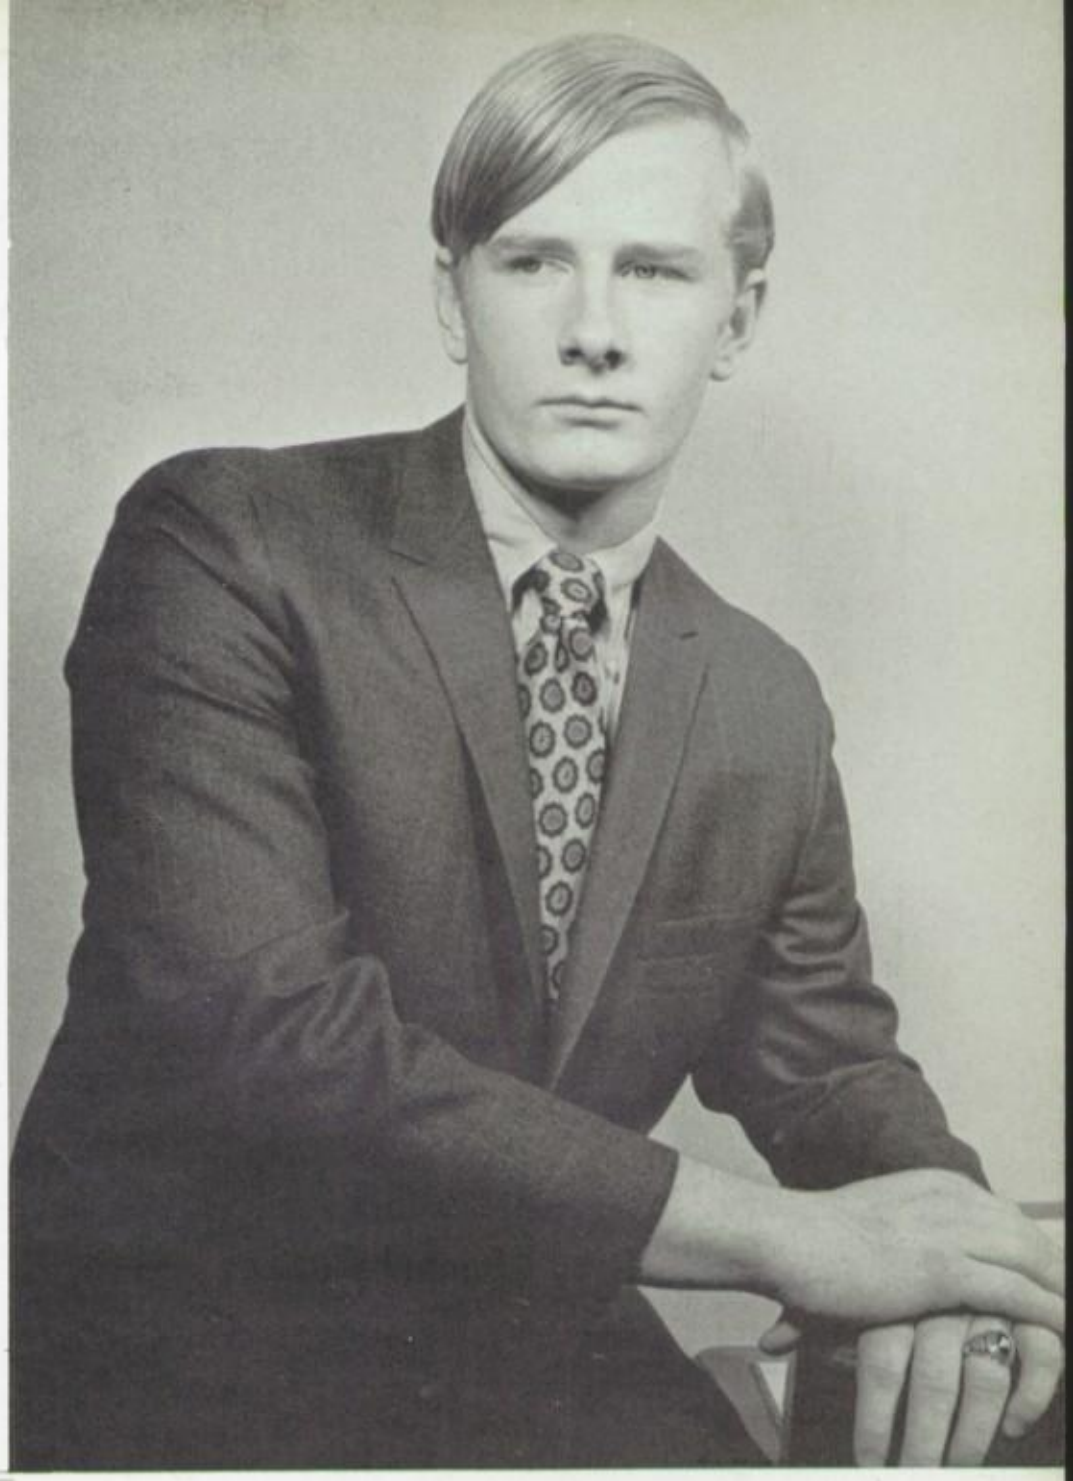
Around Whitehaven much is done behind the scenes. Often, students who work the hardest fail to gain recognition. Phil is an outstanding example of this. He is sports editor for the BROADCASTER and prepared the Whitehaven football programs sold at the games this year. But Phil's favorite and most important duty in Whitehaven is his performance in the Key Club. Serving as Vice President is not a duty to Bo Bo though, and Phil was always involved in the many projects of this honor club. Among other things he was District Committee Chairman and Co-Editor of the "West Tennessee Key." After high school, Phil will attend Georgetown University in Washington, D. C. where he will major in Political Science.

NANN SHERMAN

Nann has received recognition for her activities in the community and her scholastic achievements. Besides heading the BROADCASTER staff, she is taking Advance Placement English and History, Speech II, and French III. She was chosen Good Scholar her Freshman year and "Intelligent" her Junior year. Her scholastic abilities are indicated by her listing on the Honor Roll.



Scholarly

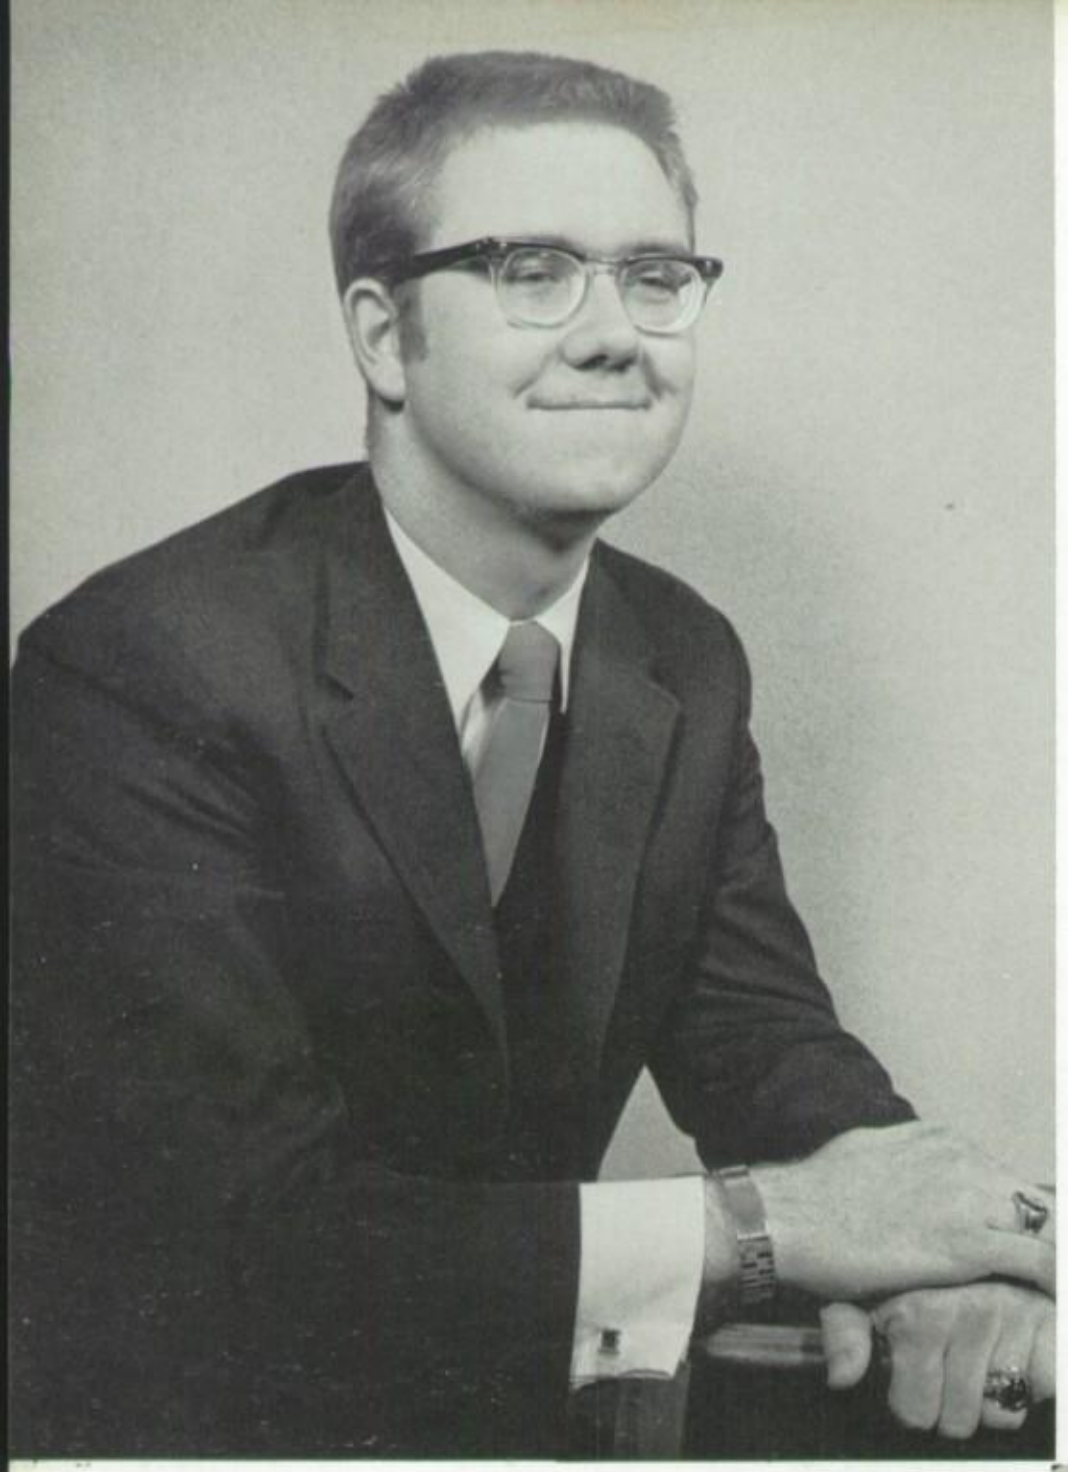


JERRY DEVANE

Action, war-like, fun-filled — these words describe the game of football. And who can play the game better than Whitehaven's own tackle? Jerry Devane not only excels in football, in which he gained honorable mention on the All-State team, but also serves as catcher on the baseball team. He was elected Vice President of the 10th grade Hi-Y and was voted into the Key Club that same year. Advanced Math, Advanced Placement English and History, and Physics take up much of Jerry's time. On Saturdays and any other chance he gets, Jerry likes to fish. He does take out enough fishing time though to participate in the activities of Whitehaven Baptist Church.

LYNN MILLER

One face is seen in almost any activity in Whitehaven, from the LoQuet's jug band to the Blue Ridge Assembly, to the powderpuff football field. Lynn Miller has been an active member of all the language clubs at Whitehaven and this year has been President of the FTA. Besides academics Lynn enjoys playing the kazoo and practicing yoga. She sings in the chorus and toured with the "Good News and Purpose" groups of the Whitehaven Baptist Church.



Scholarly

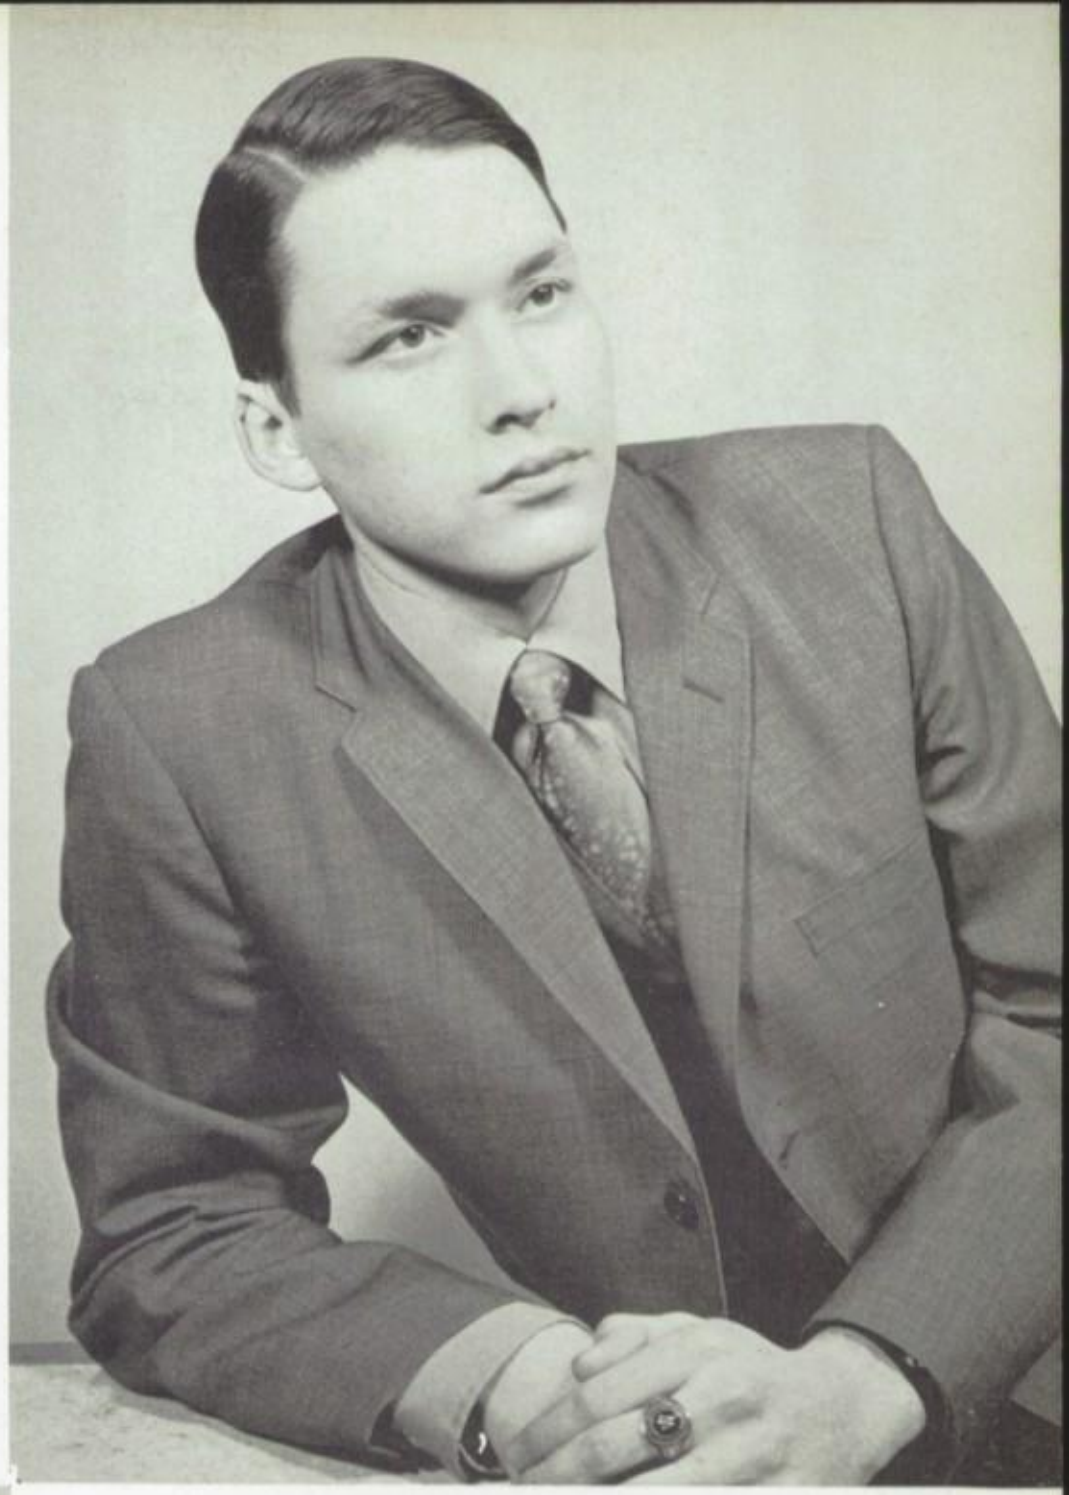
MIKE MILLER

Massachusetts Institute of Technology will acquire a real asset next year when Mike Miller enrolls. Mike is a member of the Beta Club, the Thespians, the Junior Math and Science Club, Mu Alpha Theta, and the Debate Club, which he served as President. He has won numerous awards in Math, Science, and Physics, and as a Junior he placed first in the National French Contest. Last fall he and Mr. Flinn, Science teacher at WHS, flew to New York to attend the Bell Telephone Laboratories Science Conference, where Mike was chosen Outstanding Science Student in West Tennessee. Mike has enthusiastically worked on the musicals produced here since his Freshman year, and this year he has one of the leads in "Hello Dolly." Rounding out his wide range of interests, he directs the youth group at Graceland Christian Church.

VICKI PIWONKA

Although Vicki came to WHS only last year, she has received many honors here in addition to previous ones. She received the Bausch and Lomb Science Award and was voted a Good Scholar this year. Vicki, who is a member of the Beta Club and the Mu Alpha Theta, is taking Advanced Math, Advanced Placement English, Typing, and Mechanical Drawing I. She is also interested in oil painting and drawing and is planning to work toward a degree in Art or Architecture. Since moving here from Houston, Texas, she has been attending St. Paul's Catholic Church.

Scholarly



DAVID PUTNAM

This generation has come alive because it has a lot to give. Giving is an asset that will long be remembered of David Putnam, Chairman of Quill and Scroll and first member in WHS of the National Forensic League. His many activities range from being Editor of LeCoq for two years to masquerading as the Whitehaven Tiger. The members of the Thespians elected him President because of his acting ability and his knowledge of stage craft. He has had a lead in the Whitehaven musicals for the past three years and has also worked faithfully backstage. When David was asked what his hobbies were he replied, "Finding so much work that I never get around to my hobbies." However, he does play basketball for the Whitehaven Presbyterian Church. It is easy to see that he truly does give.

REGINA COPELAND

Regina's interests center around music. Besides earning a letter in the Whitehaven High School Band, she made All-West Tennessee Band in 1969 and 1970. In addition to her full academic schedule which includes Advanced Placement English, Advanced Placement History, Advanced Math, and Physics, Regina serves as secretary of Mu Alpha Theta. She was selected a "Southwestern Scholar" and plans to attend Southwestern at Memphis after graduation. With her outstanding scholarship, her bright personality, and her musical ability, Southwestern will indeed be fortunate to receive such a well-rounded student as Regina. Regina also finds time to participate in activities at Whitehaven Presbyterian Church.

Good Citizens

Lyn Harris
Debbie Schmrimsher

If you were to visit a Key Club meeting you would recognize a well-known figure at Whitehaven. Serving as President of the Key Club this year is Lyn Harris. He has also been Lieutenant Governor and District Secretary. Lyn participates in the Hi-Y, the Speech Club, the Current Affairs Club, the Future Teachers of America, the CROSSROADS and Lindenwood Christian Church. After graduation he plans to attend the University of Tennessee at Knoxville and then the University of Virginia to take a degree in law. He was elected a Good Citizen during his Freshman year, a Class Favorite and Class President his Sophomore year and Most Actively Involved in his Junior year.

Debbie readily wins the love and respect of all those who meet her. She is President of the 12th Tri-Hi-Y and served as their Princess in the Homecoming Court. Debbie also spends her time as an enthusiastic member of the Current Affairs Club, the King's Daughters, and the Whitehaven Baptist Church. Through the Future Teachers of America she student teaches the fourth grade and plans to attend the University of Tennessee at Knoxville where she will major in elementary education.

Good Citizens

Phil Klipsch
Nann Sherman

Nann is very versatile in many areas of community affairs. She manages to make top grades and still devote time to the King's Daughters and to church work at Holy Lutheran. At school she belongs to the Thespians, Quill and Scroll, the Tri-Hi-Y, the Beta Club, and the LoQuets. Nann is Editor-in-Chief of the BROADCASTER and is one of the few seniors who has participated in the school musical every year. She has been honored as an Outstanding Teenager of America and is included in the high school Who's Who. She plans to attend Southwestern, majoring in either English or communications arts and then to teach on the high school level.

This title is a well-deserved honor for Phil, who has played an important role in the Key Club as Vice President, District Committeeman, and Division Co-Editor of the West Tenn. Key. Phil has served for 3 years on the BROADCASTER and is now the Sports Editor. He is also a member of the Sr. Hi-Y and German Club. Phil plans to attend Georgetown University and major in political science in order to prepare himself for a career in law.

Good Citizens

David Mecklin
Teresa Anderson

Teresa is one of the most deserving Good Citizens. In addition to following a tight schedule of Social Development, Interior Design, Advanced Placement English and History, and French III, Teresa finds time to keep busy at Boulevard Baptist Church and to relax by sewing, cooking, and playing her guitar. At school Teresa has been active in many clubs; she has served in various offices of the FHA and the Tri-Hi-Y and as a board member of the FTA and the Lo-Quets. This year Teresa devotes her time to the BROADCASTER, student teaching, the Student Council, the Current Affairs Club, and Quill and Scroll. She also won the DAR Award for citizenship and is listed in *Who's Who Among American High School Students.* She plans to attend MSCW where she will major in special education for the deaf.

One of the outstanding seniors at WHS this year is David Mecklin who has served as Treasurer of the Latin Club and the Junior Hi-Y. This year he is Vice President of the Senior Class. David is a member of the Key Club, the F.T.A., the Thespians, the Sr. Hi-Y, and the Speech Club. As chairman of the Board of Junior Deacons, David plays an important role in the Whitehaven Presbyterian Church. He plans to study law at either the University of Virginia or at U. T.

Good Citizens

Blaik Hickman
Penny Arwood

The Senior Class of 1970 would find it hard to replace a person like Penny. Holding membership in six clubs, she is one of the busiest students in this year's class. Penny finds a place in the Hall of Fame as a Good Citizen because of the dedication she has shown to any task which is set before her. Her efforts during this year and the respect of her classmates for her work are reflected by her many honors including the crowning one of all: Miss Whitehaven. Penny also finds time to attend Holmes Road Church of Christ. The CROSSROADS staff has found Penny to be a diligent worker for the past two years.

Besides being elected Mr. Whitehaven, Blaik also received the title of Good Citizen. The outstanding character, personality, and general friendliness shown in his everyday actions signify that these titles are well-deserved. In numerable past honors combined with the office of President of the Hi-Y, Youth Governor of Tennessee, membership in the Speech, Key, and the Thespian Clubs, the Future Teachers of America, and the Student Council keep Blaik constantly busy. As a photographer and worker for this year's CROSSROADS, he has proved his efficiency.

Wittiest

JOE KILGO

The main reason that the members of the senior class have voted Joe "Wittiest" is that he enjoys life. Joe has lived his high school days victoriously because he has not let daily pressures control him or spoil his ways. Bilc, as he is known to all, fulfills the idea of the proverbial happy-go-lucky student who lets no one get under his skin. But Bilc is not a shallow person. Beneath that glowing exterior there is a heart as big as all outdoors. In the summer, Bilc enjoys skiing and just goofing around. Joe's serious plans for the future include attending Bethel College to major in secondary education.

CATHY HENTHORNE

When each day drags out dull and dreaded, few people can bear the stress and keep cool with big smiles upon their faces. But Cathy can do this with her happy ways and bright remarks. For this unusual quality the Class of '70 elected her their Wittiest Girl. Cathy, enthusiastic about her endeavors, sparkles wherever she is. Everyone in her wide circle of friends enjoys having her around. Cathy belongs to Trinity Baptist Church and to the King's Daughters. In her leisure moments, she enjoys skiing and horseback riding. Cathy's course of study demonstrates her desire to attend a business college and become a secretary.

Talented

PEGGY MILLS

Peggy's busy schedule, including History, English, and Office Practice, does not hinder her in actively participating in the Thespian and the Beta Clubs, two of the honor organizations at Whitehaven. A member of the Tri-Hi-Y and the Pep Club, she still finds time to enjoy her hobbies: singing, dancing, and twirling, activities in which she excels. The class has recognized Peggy by voting her into the Hall of Fame all four years and electing her a class officer for two years. She attends the Covenant Presbyterian Church and upon completion of high school, plans to enroll at the University of Mississippi.

MIKE ENRIGHT

If the halls of Whitehaven do not see Mike engaged in his study of Spanish, English, or History, he is probably picking out a few new chords on his guitar. The fact that he is so versatile with musical instruments may be the reason the Senior Class voted him into the Hall of Fame. He has been a member of several different rock groups in and around the community and hopes to become a studio musician in the near future. However, Mike's main ambition is to major in business administration in college and open his own music shop in later years.

Homecoming Queen

Marty Burchfield

Representing the Current Affairs club as Homecoming Princess, Marty emerged as the 1969-1970 Homecoming Queen. Marty, who was also elected Senior Beauty for the Hall of Fame, plans to attend business school upon graduation. She is a member of the Art Club and serves as Secretary of the Current Affairs Club. Marty is a member of the Barton Heights Baptist Church.

Homecoming Alternates

Sally Caldwell
Carolyn Ford
Penny Arwood

SALLY CALDWELL

Sally Caldwell's vivacious spirit has won her many friends at Whitehaven. Representing the Key Club, Sally was chosen alternate in Whitehaven's Homecoming Court. Besides being the Football Princess for the Key Club, she was chosen Key Club Sweetheart this year. Sally is a member of the Tri-Hi-Y, the Current Affairs Club, the LoQuets, the Thespians, and is serving as Secretary of the Future Teachers of America. Sally was also elected a Senior Beauty by her classmates.

CAROLYN FORD

Carolyn's cheery smile and happy disposition have worked their way into the hearts of many at Whitehaven. Representing the French Club, Carolyn was chosen an alternate for Homecoming Queen. She is an active member of the Tri-Hi-Y, the LoQuets, the King's Daughters, the F.T.A., the French Club, and the Thespians. She is Senior Class treasurer, but she still finds time to devote to yoga, sewing, and tennis. In last year's talent show, Carolyn's captivating personality helped her win first place. She is a communicant of Christ Episcopal Church.

PENNY ARWOOD

Penny Arwood, Secretary of the Senior Class and Captain of the Varsity Cheerleaders, was elected to represent the Senior Hi-Y in the 1970 Homecoming Court. As their Princess, she was elected an alternate for Homecoming Queen. Penny dedicates much time to school activities but she is never too busy to do the things she enjoys most. She loves to pantomime songs and comedy acts; Whitehaven never tires of watching her comical expressions during her witty speeches.

Outstanding Senior Athletes

Basketball

David Jones

David Jones was selected outstanding Senior basketball player for 1969-70. He first took part in basketball as a sophomore when he was selected as the Most Valuable Player. As a junior, he played varsity basketball and ran track. This year he acted as captain of the basketball team. He also has the responsibility and the honor of being President of the Senior Class.

Baseball

Jesse Morgan

This year's outstanding senior athlete in baseball is Jesse Morgan. Jesse has participated in athletics throughout his high school career. Although he played football all four years, he did not play high school baseball until his junior year. As a junior, he was selected for the All-County football and baseball teams. As a Senior, Jesse was selected to the All-American football team. All in all, Jesse has made a great contribution to the athletic program at Whitehaven.

Football

Jerry Devane

Jerry DeVane, one of the outstanding athletes at Whitehaven, proved once again his skill in the field of football. Among his collection of honors he is proud of being named to the All-County team and to the Sportswriters All-State team. Jerry has also shown his ability as one of the best scholars this year. He is active in the Key Club, the Hi-Y, and the W-Club.

Track

Jim McAfee

The outstanding Senior track athlete is Jim McAfee. During his four years of high school he has participated in track and basketball. He has developed into an outstanding competitor in the 880-yard run and has helped the basketball team immensely. In addition to participation in sports, Jim is a member of the FTA and the W-Club.

Debbie,

We only went out twice and it really had a great time both times. You're the kind of girl it would really like to live with the rest of my life. The second time we went out was the last time. You are really fun just to sit around and talk to. It don't really think it understand you but that is a challenge it would like to accomplish some day. Will have to get together this summer and miss around some. Good luck in everything you do.

Love ya always,
Ken

Debbie, Well this is the only place I could find enough room to write what I have to say. So all I say you are the best lookin girl I have ever seen. Along with your great personality it goes great. Really what I wanted to say you don't want to hear but since you are not listening all (not really) anyway. Another unhappy day has gone by. Unhappy in a one way because I just can't seem to show how I feel about you. I've tryed to show and tell you but you don't believe me. So everytime I just give up. Because I know I couldn't have you no matter how much I tryed. One reason is I guess I'm not your type. So that so much for that and on to something else. Well I failed Mod Hist. I'm going to have to go to S.S. this year. Well I haven't seen you this year as near as much as I wanted to I hope I do get to see you a lot this summer. Well were now half way through our High School Edamacation. And I still not how to smell clo mean speel a rainbro. But I know you have maybe been over over, but we I can't even see the solar. So maybe we'll get together next year. (haha). So Good Luck in great and wonderful futher. Oh yes I that you was you who was never going to start smoking. (faget). I bet just don't like you. well I guess I Stop, and I hope you get everything out of life that you really try hard for because you disserve it. I've been a great I have always year, but and even pase "62" is going to be better.

Hope you can read this it so sloppy.

Debbie,

This year has really been a great change for me and you made it that way. We got to know each other better and found out we have many things in common. You're really one of my favorite people because you know how hard it is to find people who are "lovers" and not bigots, etc, I also thank you for the presidency because if not for you and a few others I would have never been in the election. I just hope we can get some things done (Hope I don't sound like a politician) I think this summer and next year we will really have a "meaning ful experience" (hope I don't sound like an evangelist) Stay the way you are and always keep an open mind.

Love,
Dave

ALMA MATER

There's a spot I'll always cherish
Down in sunny Tennessee
Where the warmth of schoolday friendship
Means so much to me;
Where the boys are brave and stalwart
And the girls exceeding fair —
Oh, the halls of old Whitehaven
You will find my heart right there.

Alma mater, alma mater,
Through the years your light will shine
'Til it spreads a path of glory
Flaming o'er the sands of time.

From far horizons each road winds
Across the years its separate way —
Threads lonely valleys, pulls its track
Up rugged mountains as it may.
Yet though the end each traveler seeks
Be distant from all other ends,
Here at the CROSSROADS all have paused
And mingled for a day as friends.

Debbie,
Are there words? All I can say is thank you for being you. Keep the faith when you find it. I love you. "We come into the world alone, we go away the same. We're meant to spend the interlude between in closeness."

Debbie,
I wish now that you had given me the note I would have gone home. Tim may be a good friend however you look to us. But, seeing as I don't know you that well — I don't know what to think about you. That's why I kept myself safe and quiet in writing. Today, however, you seem like a really nice person. But as I said before, I don't know you that well yet. Maybe we can be friends. Maybe not. Only time will tell. Good luck with everything you do. Keep in touch.

Debbie,
It's really been fantastic knowing you this year & I'm glad we've gotten to be such good friends. Mama said that when we were little her & your mother always tried to throw us together. Well it took us this long to get together but it was worth it. Good luck in everything you do & Keep Jogging!
Love,

Debbie,

This year just wouldn't have been any good if it wasn't for you. I greatly appreciate your friendship. I'm sorry you're happy that I didn't make cheerleading. I think that's the only thing I would change. I know I understand what you mean. But, on I don't know, I just thought you might have some empathy. But I do understand.

I want you to know that you're still my very best friend & now, that I don't have something that has been very much a part of my high school life, I know we can be together more often. That's all I'm going to say about cheerleading! I promise.

I'm definitely looking forward to this summer. You know, as far as I'm concerned this year isn't or hasn't been half as good as last year. For some reason I don't feel half as special. You know? Well, I'm sure next year will be o.k. But I'm definitely looking forward to '72. Then again I'll be special, I think.

Love Always,
Liz "72"

P.S. I just read this over and it sounds like I'm conceited & feeling sorry for myself. But I'm not. I think you understand. You should.

Debbie,
ONE THE GREATEST GIRLS I KNOW, AND A WOMAN WHOM I admire greatly.

Debbie,
I don't know how we're going to come out in here but getting out of here is the main thing. Stay crazy cause it's more fun that way.

Debbie,
you're really a great friend and it's ~~[illegible]~~ been fun being in History and P.E. with ya.

Debbie,
To a real sweet and good-looking girl. It's been great knowing you in world history. this year. It's a shame that we couldn't have gotten to be better friends. May you have the best that life has to offer.
Best Wishes
Love ya!

Debbie, Just a few words (and they aren't all that) I'll have to say about you. You're a swell person and a heck of a good friend. You're like a breath of fresh air. I'm glad we've been in History and P.E. together. Be sure and write this summer. Keep in touch. Be sure you write after you get back in the swing of things. Have a good summer and keep your pecker up.

Debbie
You are a very
pretty girl. Ok
God we had
at least one class

Debbie,

First of all I want to say
Thank-you for being such
a great friend. Until
this year I hardly knew
you but I'm glad we
did get a chance to become
friends. I've told you
more than I've ever told
anyone cause I can trust
you more. It really means
a lot to me to know some-
one you can talk to (which
I do plenty of) and confide
in. Maybe next year we
can share secrets again.
Good Luck in everything.

Patty

Debbie,
You're really great
and I like you a lot.
Boy, were just going to
have great fun on track
this year. Be good and
you'll get far.

Sandra Wolf

Debbie I'm glad we
are on the same team
this year. Maybe we
can set time next year
and be on a team
together. Have a
real good year
and I'll see you
next year.
